

The Beat Goes On: The cream of Austin's folkies were all over the wedding reception celebrating **Pat Mearns'** wedding to her producer and guitar-player, **Mickey White**, held down at **Townes van Zant's** palatial South Austin manse. Everybody took turns picking, including the host, and people like **Blaze Foley**, **Lucinda**, and poster artist **Mark Boyd** stood around talking while the couple snuck off on their honeymoon without even saying good-bye. They promise they'll finish the album when they get back.
