The coming week on the live country music scene here is a bit thin — and somewhat peculiar.

The top attractions of the weekend both are Austin based, with **Asleep at the Wheel** performing at Armadillo World Headquarters, and **Steve Fromhoiz** appearing at Alliance Wagongord Friday and Saturday.

It's Wednesday before the first visiting headliner appears, when **Clifton Chenier** returns with his famed Cajun band to play Soap Creek Saloon through Saturday. Thursday

through Saturday ever-popular **Townes Van Zandt** reopens the Ritz Theater, ending vacations there.

Looking ahead, week after next is a block-buster for both Castle Creek and Armadillo World Headquarters. **David Alan Coe**, **Asleep at the Wheel**, veteran master dobro guitarist **Josh Graves**, and **Lightnin' Hopkins** all appear at Castle Creek that week, while the fast-rising **Pointer Sisters** and **Freddie King** (recording live) occupy the week at Armadillo.
